- To help our children understand the faith and customs both of fellow pupils in the school and the wider multi -faith community.
- To have an enjoyable, profound, and stimulating experience that will inspire them in their daily lives.
- To understand the importance of Christian values, and most especially the school's own core Christian values of perseverance, trust, compassion, and responsibility and how they guide us to live and lead our lives

SCOPE

All legal rights will be respected. Teachers will be made aware of their rights to withdraw during the act of worship. Those wishing to withdraw should in the first instance speak to the headteacher and this followed up with a formal letter.

Parents may ask for their children to be withdrawn from collective worship and should do so by making an appointment to discuss the arrangements with the headteacher. It is hoped that this will be an occasional matter as the school wishes to create an occasion in which all children can participate. A withdrawn child can join in the assembly part of the gathering and will be treated sensitively and parents fully informed.

There will be times and opportunities for collective worship throughout the school and throughout the week. Visitors from churches, other faiths, charities, and organisations are invited to take assemblies. Each week there will be a variety of formats for collective worship.

An example of a weekly assembly schedule would be:

MONDAY: WHOLE SCHOOL ASSEMBLY:

A celebration of success.

Opportunity to celebrate and recognise other achievements and successes

TUESDAY: WHOLE SCHOOL ASSEMBLY: Following a theme, including bible stories and Stories from other faiths.

Sometimes these assemblies will be led by year 6 pupils.

WEDNESDAY: KS1 REFLECTIVE ASSEMBLY

Reflection times in each of the ks2 classes

THURSDAY: STAFF LED ASSEMBLY

FRIDAY: WHOLE SCHOOL ASSEMBLY (INCLUDING THE YOUNGEST MEMBERS OF THE SCHOOL), INCLUDING SINGING PRACTICE.

WHOLE SCHOOL CHURCH SERVICES: Led by the school at the church (harvest, Christmas, easter and leavers)

In addition to assemblies, there is a reflection tree in the library area, available for all children to leave notes of their thoughts, prayers and reflections should they wish. the entrance hall also has a display of the un rights of the child.
