Dear Parents and Carers

Christmas Cards

I can't quite believe that this time next week it will be 1st December. We will shortly be sending out information about our Christmas activities but for now, I just wanted to give prior notice about how we have decided to proceed with Christmas Cards.

For environmental reasons and with consideration to the cost of living, we are suggesting that instead of children sending numerous individual cards, that they create one home made one that is for their whole class. These will then be displayed in their classroom and towards the end of term, there will be a small prize for the one the children decide they like the most.

Can I emphasise that the children do not have to participate in this if they prefer not to, but if they do, it is not about going out and buying anything, but about creating something from whatever they have at home.

Yours sincerely
