Statement of intent

Epping Forest Schools Partnership Trust (the Trust) recognises that certain groups in society can be disadvantaged because of unlawful discrimination they may face due to their race, sex, disability, gender reassignment, marriage or civil partnership, religion or belief, sexual orientation, age, or pregnancy and maternity.

The Trust has a statutory duty to publish an Equality Information and Objectives Statement. This policy sets out how the Trust determines its equality objectives.

As a Trust we will continuously strive to ensure that everyone is treated with respect and dignity. Every person in our schools will be given fair and equal opportunities to develop their full potential regardless of their gender, ethnicity, cultural and religious background, sexuality, disability or special educational needs and ability.

The Trust will work actively to promote equality and foster positive attitudes and commitment to an education for equality. Please note that some points within this Policy may not be applicable to the Special School in our Trust.

The information below is a summary of how the Trust has due regard to the need to eliminate discrimination, harassment and victimisation.

- The Trust are aware of the requirements of the Equality Act 2010 that it is unlawful to discriminate, treat some people less fairly or put them at a disadvantage
- All Members and Trustees have been briefed on their legal responsibilities under the Equality Act 2010, and have also been involved in supporting all our schools to meet its public sector equality duty
- The Trust will develop IT solutions to collect information to produce a Trust profile of our pupils and employees to inform future decisions
- Each of our schools' Behaviour Policies outlines the Trust's expectations of both pupils and staff in their interactions with each other, including their approach to tackling bullying and prejudice
- Each of our schools deals promptly and effectively with all incidents and complaints of bullying and harassment
- Each school keeps a record of all such incidents and will notify those affected of what action has been taken
- Training is provided to all staff in relation to dealing with bullying and harassment incidents
- Each school has a Special Educational Needs and Disabilities Policy that outlines the provision the school makes for pupils with special educational needs
- Our Complaints Policy sets out the procedures through which complaints are dealt with
- The Trust will observe and implement the principles of equal opportunities and non-discrimination in its employment practices
- The Trust pays due regard within its recruitment practices, to safeguarding and protecting its pupils
- Procedures are in place for addressing staff discipline, conduct and grievances
- The Trust will engage and consult with pupils, staff, parents and carers, and the local community, in order to develop its awareness of equality issues, review the impact of the Trust's policies, set equality objectives and improve what we do

Each school has their own Equality Statement and Objectives Policy which should be referred to for school specific information.

1. Legal framework

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Human Rights Act 1998
- The Special Educational Needs and Disability Regulations 2014
- Education and Inspections Act 2006
- Equality Act 2010
- The Equality Act 2010 (Specific Duties and Public Authorities) Regulations 2017
- Public Sector Equality Duty (PSED)
- Data Protection Act 2018
- The UK General Data Protection Regulation (GDPR)

This policy also has due regard for non-statutory guidance, including the following:

- DfE (2014) 'The Equality Act 2010 and schools'

This policy operates in conjunction with the following Trust policies:

- Admissions Policy (each school has its own Admissions Policy)
- Complaints Procedures Policy
- Grievance Policy
- Data Protection Policy

The Equality Act 2010 provides a modern, single legal framework with three broad duties:

- Eliminate discrimination harassment and victimisation
- Advance equality of opportunity
- Foster good relations

For the purpose of this policy, the Equality Act 2010 will be referred to as 'the Act'. The Trust fully understands the principles of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equal opportunities. Protected characteristics, under the Act, are as follows:

- Age
- Disability
- Race, colour, nationality or ethnicity
- Sex
- Gender reassignment
- Maternity and pregnancy
- Religion and belief
- Sexual orientation
- Marriage and civil partnership

The Act makes it unlawful for the responsible body of a Trust to discriminate against, harass or victimise a pupil or potential pupil:

- In relation to admissions.
- In the way it provides education for pupils.
- In the way it provides pupils access to any benefit, facility or service.
- By excluding a pupil or subjecting them to any other detriment.

The responsible body for the school is the proprietor.

The Trust's liability not to discriminate, harass or victimise does not end when a pupil has left the school, but will apply to subsequent actions connected to the previous relationship between school and pupil, such as the provision of references on former pupils or access to former pupils' communications and activities.

Trust will promote equality of opportunity for all staff and job applicants.

2. Roles and responsibilities

The Trust will have an equality page on its website, in order to demonstrate how it is complying with the PSED in the Equality Act 2010, and advancing equality of opportunity.

3. Equality objectives

The Trust is committed to promoting the welfare and equality of all its staff, pupils and other members of the Trust community.

The Trust sees all members of the Trust community as of equal value, regardless of any protected characteristic. The Trust's policies, procedures and activities will not discriminate but must nevertheless take account of differences in life experience, outlook and background, and in the kinds of barriers and disadvantages which people may face in relation to any protected characteristic.

This policy sets out how the Trust is meeting the PSED and outlines how equality of opportunity is ensured for all members of the Trust community. The Equality Information and Objectives Statement is reviewed at least every four years and is published on the Trust website annually.

The Trust will consult with stakeholders to establish equality objectives and draw up a plan based on information collected on protected groups and accessibility planning.

To achieve this, the Trust has established the following objectives:

- promotion of cultural understanding and awareness of different religious beliefs between different ethnic groups within our school community and beyond
- monitoring and promotion of the involvement of all groups of pupils in the extra-curricular life of the school, including leadership opportunities, especially pupils with special educational needs and disabilities
- actively close gaps in attainment and achievement between ‘disadvantaged’ pupils and all groups of pupils
- actively monitor the attainment and achievement of pupils with special educational needs and disabilities, looked after children and pupils from minority ethnic groups. Ensure that attainment is as good or better than similar groups of pupils nationally
- continue to improve accessibility across the school for pupils, staff and visitors with disabilities, including access to specialist teaching areas
- endeavour to ensure that the staff body and representation of staff in leadership roles is reflective of the local community
- eliminate the use of sexist and racist language by pupils in the school and phobic language relating to gender perception

The Trust will regularly review the steps being taken and the progress made towards the achievement of these objectives and, in line with the specific duties of the PSED. See Appendix B for the Trust’s Equality Objectives.

- The Trust’s employees.
- People affected by the Trust’s policies and procedures.

The Trust will not provide this information if:

- The employee is employed under contract personally to do work.
- The employer does not have this information, and it is not reasonably practicable for the employer to obtain the data.

The Trust will publish findings in its annual report.

The Trust will publish the following information annually with regard to the gender pay gap:

7. Addressing prejudice-related incidents

The Trust is opposed to all forms of prejudice. The Trust will ensure that pupils and staff are aware of the impact of prejudice. The Trust will address any incidents immediately and, where appropriate, report them to the LA.

Any reports of bullying and prejudice will be carefully monitored and dealt with accordingly. Annual training will be given to all staff to ensure that they are aware of the process for reporting and following up incidents of prejudice-related bullying.

8. Complaints procedures

The Trust aims to resolve all complaints at the earliest possible stage and is dedicated to continuing to provide the highest quality of education possible throughout the procedure. Any person, including a member of the public, is able to make a complaint about the provision of facilities or services that the Trust provides.

The Trust will adhere to the [Complaints Policy](#) to ensure a straightforward, impartial, non-adversarial process, that allows a full and fair investigation, respects confidentiality, and delivers an effective response and appropriate redress. If a complaint has completed the school's process and the complainant remains dissatisfied, they have the right to appeal, as outlined in the Complaints Policy.

The Trust works to develop good professional relationships between colleagues; however, the Trust understands that sometimes conflicts may arise. Through maintaining open communication, the Trust wants its employees to feel able to raise any grievances so that appropriate and effective solutions can be put in place. Grievances raised by staff members will be processed in accordance with the Trust's [Grievance Policy](#).

9. Monitoring and review

The CEO will review this policy annually, to ensure that all procedures are up-to-date. The policy will be monitored and evaluated by the CEO and Trustees in the following ways:

- Individual attainment data
- Equal opportunities recruitment data

- Equality impact assessments
- Ofsted inspection judgements on equality and diversity
